

# Jo Ann Jeffries - Author Visit to Schools

**Author of *Puanani and the Volcano*, *Have You Seen Tucker?*, and *Astronaut Kids*.**

A new author, Jo Ann Jeffries is eager to share her collection of books and her experiences as an author—from writing her first book to co-authoring an adventure story with her grandson. By sharing about the development of her first book, *Puanani and the Volcano*, and about her life in Hawai'i, students will get a glimpse of what not only what it is like to be an author, but what it is like to be an author who lives in Hawai'i!

## About the Visit

### High School and Post-Secondary Schools

The visit will begin with Jo Ann introducing herself and a short discussion of what led her to write. She will discuss the development of her books and the steps that lead to publication with focus on writing and editing. Following the discussion, Jo Ann will devote time to a question and answer session with any remaining class time spent signing and personalizing books for students who would like to purchase their own copies.

### Middle School

The visit will begin with Jo Ann introducing herself and a short discussion of what led her to write. She will then read *Puanani and the Volcano* and review the questions at the end of the book. Following the discussion and reading, Jo Ann will devote time to a question and answer session with any remaining class time spent handing out order forms for students to take home.
